

## Fertilizing Materials Inspection Program Workshop

March 17-18, 2026

**This year, our Feed, Fertilizer, and Livestock Drugs Regulatory Services (FFLDRS) Branch Chief, Jenna Leal, will be providing opening remarks.** This workshop is a great opportunity to learn critical tips for expediting the registration process and addressing violations during the informative presentation sessions, and to work directly with program staff on pending fertilizer registration applications during our open clinic. We are also excited to announce that we are adding a break-out session this year about the Fertilizer Research and Education Program.

**Register:** Online at [CDFA - Fertilizing Materials Inspection Program 2025 - Home Page](#) using credit card/e-check or with this completed registration form if paying with a paper check.

**Cost:** **\$250** early registration rate per person / **\$300** regular registration rate per person (*early registration rate applies to registrations through January 31, 2026*)

**Where:** **Hilton Sacramento Arden West**  
2200 Harvard Street, Sacramento, CA 95815
